## PROFESSIONAL SUMMARY

---

Results-driven Software Engineer in designing, developing, and maintaining complex software solutions. Proficient in Data analysis, and Web development practices. Adept at collaborating in agile environments to deliver high-quality software products.

## SKILLS

---

- **Programming Languages:** Python, Java, C
- **Web Development:** HTML, CSS, Django
- **Data Science:** Matplotlib, scikit-learn, tableau
- **Databases:** MySQL, MongoDB,

## EXPERIENCE

---

### Data analysis intern, Oasis Info-byte

September 2023 – October 2023

- Developed skills in Python, SQL, and data visualization tools, contributing to cross-functional projects.
- Applied machine learning algorithms to analyze large datasets and generated actionable insights.

### Intern, The Sparks Foundation

June 2023 - July 2023

- Applied my analytical skills and completed the tasks assigned by the company.
- Applied machine learning algorithms to analyze large datasets and generated actionable insights.

## EDUCATION

---

### Bachelor of Engineering (Computer Science)

Methodist College of Engineering and Technology

November 2020 -June 2024

**CGPA 7.8/10**

### Class 12<sup>th</sup>

Narayana Junior College

June 2019 – May 2020

**Percentage - 95%**

### Class 10<sup>th</sup>

Martinet High school

June 2017 – April 2018

**CGPA 8.8/10**

## PROJECTS

---

### Django Web Development

- Developed a Django web application using MVT design pattern, Html, CSS to calculate daily calorie intake based on diet and food consumption.
- Enabling users to easily track and manage their nutritional goals reduced manual calculations.
- Provided personalized the weight management guidelines.

### Netflix Clone Website using HTML CSS.

- Developed a responsive Netflix clone website using HTML and CSS.
- utilized modern design techniques to create an immersive user experience
- Deployed and ensured seamless compatibility across devices.

## ACHIEVEMENTS

---

- Conducted a Technical Event in the college and provided technical interviews to participants.
- Participated in Hackathon and completed all the tasks assigned by them.

## CERTIFICATIONS

---

- Certified by IBM on completing Data analytics course
- Certified by TCS on completing Career Edge - Young Professional Course
- Certified by Cisco on completing Introduction to Networks course
